Frequently Asked Questions:

Can I donate money instead of buying products?

Yes! Every \$15 in donation is the equivalent of 3 sales. Each \$15 will earn a student a chicken coop collectible. Students who donate are **NOT** eligible for the Chicago Bulls Experience or the money draws. These are prizes that are not controlled through the school. Donations can earn chicken coop collectibles, USB cord, and limo ride prizes.

When will products be delivered to the school?

Products will be delivered on the evening of our October parent teacher conferences. Date to be announced soon. Cookie dough and freezer products will need to be in the freezer by 8:00 pm that evening.

What happens if my child is absent or late on a turn in day

Students can turn things in on the second turn in day. If the turn in day has passed, then they can turn their fundraiser stuff into the office. Anything turned in to the office at different times a day will earn prizes but prizes will not be delivered immediately. Mrs. Druyos will deliver prizes when she has an opportunity throughout the next day or two afterwards.
